

**Clearwater National Forest
Land and Resource Management Plan**

AMENDMENT NUMBER 17

April 1996

The Clearwater National Forest Land and Resource Management Plan is amended as follow:

Page III-55, Goals and Standards by Resource for Management Area C8S

Change the standard for 8. Facilities as follows (add line in bold print):

8. Facilities

Standards

- b. Prohibit public use of motorized vehicles on all new roads constructed in the management area, except permit snowmobiles during the winter period (December 1 through March 1). **Permit motorized vehicles on the extension of Elk Summit Road 111 from milepost 11.4 (previous terminus) to the new terminus to allow a safe vehicle turnaround and access to picnic area and trailhead.**

— END AMENDMENT NUMBER 17
